WHO WE ARE

Founded in 2017 by two brothers, David and Ian, Acorn Landscape Gardening is an independently owned landscape gardening company serving Preston and surrounding areas.

Our mission is to improve the standards of landscape gardening services.

We do this by **integrating technology** from other industries to reduce costs for customers with highly accurate estimates and supply qualities.

On the ground we use local suppliers with high quality material and create a positive workplace so that **happy staff** make sure all of our customers get properly finished, long-lasting, beautiful gardens, the way they imagined them.
